Students Emails for Discounted Mobile Internet Data Bundles

Through KENET, we have received Discounted Mobile Internet Bundle offers for University students and staff from Safaricom and Telkom Kenya Ltd. Each operator requires mobile numbers of those who will be allowed to purchase the discounted bundles.

The E-Learning Discounted Bundle is an ideal solution for students and staff of educational institutions where the learning institution offers e-learning and online learning through educational resources available over the Internet.

The discounted bundles are restricted to only resources provided by the educational institution to be included in the bundle. Accessing Internet resources outside those included in the bundle will not be charged/deducted from the E-learning Bundle.

Below are the negotiated pre- paid bundle plans for the KENET Community: –

1. Safaricom – 10GB/month data bundle at KES 500
2. Airtel Networks – 12GB/month data bundle at KES 500
3. Telkom Kenya – 30GB/month data bundle at KES 999 (data bundles are consumed at 1GB per day)

All students and staff of institutions of higher learning (Universities, University Colleges, etc) are eligible to sign up and purchase the discounted bundles using this link: <https://registration.kenet.or.ke/>

The discounted bundles are pre-paid and users are expected to purchase the bundles for themselves.

Mobile subscribers on either pre-paid or post-paid subscriber plans are eligible to register and purchase the discounted education bundles.

The registration is a two-stage process.

- Students/staff completes the form, and when they submit it, a confirmation e-mail is sent to their institutional e-mail (e.g., support@teau.ac.ke).
- The student/staff sends back a confirmation to complete the registration (similar to the way you reset passwords).

For further details on the registration and information regarding the Discounted Bundles, access the KENET Registration Portal via the following URL: <https://registration.kenet.or.ke>

Kindly **verify** your number has been enabled for Education Bundles by entering your number in the link: https://registration.kenet.or.ke/phone_verification_check
