Message from
THE GUEST SPEAKER

H.E. Wisley Kipyegon Rotich
Governor, Elgeyo Marakwet County

It is a privilege to join The East Africa University in celebrating its 8th Graduation Ceremony. This year's theme—**"Advancing Labour Mobility through Skills, Innovation and Global Competence"**—captures the great promise of our youth in a rapidly changing world.

Kenya has expanded opportunities for skilled graduates through bilateral labour agreements with countries such as Germany, the United Kingdom, Saudi Arabia, the UAE, Qatar, and Oman. These partnerships open doors for careers in healthcare, engineering, ICT, hospitality, and other global sectors—allowing young Kenyans to work, innovate, and excel internationally.

In Elgeyo Marakwet, we have demonstrated that youth empowerment transforms communities—through digital innovation hubs, modernised TVET programmes, agribusiness value-chains, and enterprise support. These investments reflect our belief that young people are Kenya's greatest asset.

To the Class of 2025: the world you enter today is borderless. Let your skills be your passport, your integrity your compass, and your creativity your strength. Walk boldly into opportunity, serve with excellence, and carry the spirit of Kenya wherever you go. Congratulations, and may your future shine brightly.
